

ACCSC ANNUAL REPORT, 2016

Graduation and Employment Rates Below are the results of the Graduation and Employment Charts, as submitted to ACCSC for the 2016 Annual Report. The reporting period used to complete the Graduation and Employment Chart is determined by taking the program's normal length of completion (including vacations and holidays rounded to the nearest whole number) in months multiplied by 150 percent and adding three (3) months for employment, based on the Commission's report date of July 2016.
