WONDERLIC SCHOLASTIC LEVEL EXAM INSTRUCTIONS

The SLE is a short-form measure of cognitive ability or “ability to learn” - the most powerful predictor of training and job success.

Materials required: a quiet environment, pencil, pen (given to student after 12 minutes), scratch paper and timing device (stopwatch, oven timer, etc.). The prospective student is NOT allowed to use calculators, cell phones or outside sources to complete the exam.

Directions for off-campus proctors:

1. Read the following instructions to the prospective student.

   The exam contains 50 questions. It is considered an un-timed exam. You will begin the exam with a pencil, however after 12 minutes, I will stop you and hand you a pen to continue on with the exam.

   Within the first 12 minutes (pencil) you can look through the whole exam and first answer the questions that come easiest to you. You DO NOT need to complete the questions in order.

   After the initial 12 minutes (pencil) I will replace the pencil with a pen and you can continue on un-timed.

   Please read all questions carefully and answer all 50 questions. Do not leave any questions blank. You will not lose points for wrong answers.

   Hand prospective student the exam, but DO NOT let them open the exam.

2. SECTION 2: INFORMATION SECTION on the first page. Prospective student fills out. If an International student no Social Security Number is required.

3. SECTION 3: DIRECTIONS disregard the instructions.

4. SECTION 4: SAMPLE QUESTIONS, student may answer sample questions, but they will not be corrected.

5. Have student turn over the exam, complete and sign the back.

6. STUDENT MAY OPEN & BEGIN EXAM (proctor set timer for 12 minutes).

7. 12-MINUTE MARK: Stop student and replace pencil with a pen. Student continues on with exam.

8. ADMISSIONS STATEMENT: When the prospective student is completed with the exam, please have he/she write a 150 word Admission Statement on the enclosed form Admissions Statement page.
Please place the exam and statement into the self-addressed stamped envelope provided and seal.

The prospective student should then mail envelope to this address:
